

Mr. Sandeep Jain, Co-Founder & Managing Director, Akums Drugs & Pharmaceuticals limited

Mr. Sandeep Jain is the founder & Managing Director of Akums Drugs & Pharmaceuticals limited (Akums), the largest Indian pharmaceutical contract manufacturing company. Under his dynamic leadership, Akums has grown rapidly to achieve newer milestones and the highest level of performance. He is responsible for the operations of its 14 manufacturing units, which have over 15,000 employees.

With an experience of over three decades in the pharmaceutical industry, Mr. Jain is a visionary entrepreneur and has been involved in setting up world class state-of-the-art manufacturing facilities and making CRAMS & CROs the requirement of marketing companies of India and abroad. His innovative ideas in new product development and patents have made the company a leader in contract manufacturing of international repute.

Despite being a first-generation entrepreneur, Mr. Jain's hardwork and impeccable knowledge about the industry has won him several awards and recognitions such as Gold Medal for Management Order for Merit, IDMA Quality Excellence Award, Samaj Shri Award for Excellence in Management, most admired Quality Pharmaceutical Manufacturer of India, National Award by Government of India, Entrepreneurship Award from Federation of Pharma Entrepreneurs, Excellence Award by All India Achiever Conference and IPER, India Manufacturing Excellence award by Frost & Sullivan and FICCI among others.

Under the leadership of Mr. Jain, Akums has received several National & International Recognitions & Quality Certificates. To mention a few, we have India Pharma Award for Excellence in Contract Research & Manufacturing organized by Informa market during CPHI India 2021, Business Excellence Award for Leader in Pharma Manufacturing & Innovation by CIMS Medica 2021 and Quality Products -Pharmaceutical Formulations National Award 2010 presented by MSME, Government of India.

An avid learner, Mr. Sandeep Jain is actively associated with many trade and commercial organizations. He has addressed several seminars as well as conferences, where his views and opinions about the industry were given utmost importance. He leads the company through involvement, empowerment, motivation and self-government. Due to his dynamic efforts, the company has gained global recognition within a very short span of time and the organization is heading continuously towards attaining higher heights and raising the bar every single time.
